EDUCATION

University of British Columbia

B.Sc, Computer Science

Vancouver, BC

Expected Graduation: May 2024

- Relevant Coursework: *Software Construction, Data Structures and Algorithms, Relational Databases, Internet Computing*

TECHNICAL SKILLS

Languages: Java, Go, JavaScript, Typescript, C++, SQL, HTML, CSS

Technologies/Tools: React, Gin, Swing, JUnit, Git, Figma

PROJECTS

Schedulii (Ongoing) | *Go, React, Typescript, PostgreSQL, Github Actions, Docker*

- Developing a calendar application that streamlines scheduling using collating the data from a user's Google Calendar and recommending the best meeting times for groups
- Designed and implemented a database schema for an AWS-hosted PostgreSQL database
- Prototyped the user interface with Figma, and developed both the homepage and navigation bar with React

MyRecipeBuddy | *Java, JUnit, JSwing, JSON*

- Created an object-oriented recipe management application that is designed to help users store and manage a personal collection of recipes
- Designed and assembled a graphical user interface using the Java Swing framework
- Implemented extensive unit testing with the JUnit5 test suite

Pomo-Pet | *HTML, CSS, Javascript, Figma*

- Received 2nd place at HelloHacks Hackathon by developing and pitching an interactive productivity pet application that aims to gamify traditional study tools
- Developed a web application complete with a to-do list, timer, and interactive virtual "pet"

VOLUNTEER WORK EXPERIENCE

Mentorship Program Coordinator

June 2021 – April 2022

UBC Science Undergraduate Society

Vancouver, BC

- Managed a program of 300+ participants, aimed to help undergraduate students gain insight into graduate school and other academic/career goals by connecting them with industry professionals and upper-year student mentors
- Organized monthly professional development and networking events for program participants

Interact Club Executive Member

Sept 2019 – June 2020

McMath Interact Club

Vancouver, BC

- Coordinated monthly general meetings for over 100 club members, directed weekly executive meetings for a team of 12 members as vice-president, and oversaw 8 different service projects
- Chaired a logistics team of 15 members to organize a virtual Interact Annual Awards & Anniversary Gala

Service Project Chair

Jan 2018 – May 2018

McMath Interact Club

Vancouver, BC

- Chaired a fundraiser project to raise \$750 to promote food security for families in need all over the Lower Mainland via the Starfish Pack Foundation
- Led bi-weekly meetings for a team of 15, and delivered a project pitch to over 100 club members at general meeting
