EDUCATION

University of British Columbia

B.Sc, Computer Science

Vancouver, BC

Expected Graduation: May 2024

- Relevant Coursework: *Software Construction, Data Structures and Algorithms, Relational Databases, Internet Computing*

TECHNICAL SKILLS

Languages: Java, JavaScript, Typescript, Golang, C, C++, SQL

Technologies: HTML, CSS, React.js, Node.js, Gin, Swing, JUnit, Mocha, Git, Jira, Figma

PROJECTS

Schedulii (Ongoing) | *Golang, React, Typescript, PostgreSQL, AWS, Github Actions*

- Developing an application that streamlines meeting time decisions by importing users' calendar data
- Designed and implemented an AWS-hosted PostgreSQL database to store user availability information
- Implemented backend functionality in Go to handle reading/writing to database and fetching data from Google Calendar API
- Prototyped the user interface with Figma, and developed front-end components using React

MyRecipeBuddy | *Java, JUnit, JSwing, JSON*

- Developed an object-oriented recipe management application designed to help users store and manage a personal collection of recipes
- Implemented a GUI using the Java Swing framework to facilitate user interaction
- Implemented extensive unit testing with JUnit5

Pomo-Pet | *HTML, CSS, Javascript, Figma*

- Placed 2nd out of 15 teams at the HelloHacks Hackathon by building an interactive study tool
- Developed a web application complete with a to-do list, timer, and virtual "pet"

VOLUNTEER WORK EXPERIENCE

Mentorship Program Coordinator

June 2021 – April 2022

UBC Science Undergraduate Society

Vancouver, BC

- Managed a program of 300+ participants, aimed to help undergraduate students gain insight into graduate school and other academic/career goals by connecting them with industry professionals and upper-year student mentors
- Organized monthly professional development and networking events for program participants

Interact Club Executive Member

September 2019 – June 2020

McMath Interact Club

Vancouver, BC

- Coordinated monthly general meetings for over 100 club members, directed weekly executive meetings for a team of 12 members as vice-president, and oversaw 8 different service projects
- Chaired a logistics team of 15 members to organize a virtual Interact Annual Awards & Anniversary Gala

Service Project Chair

January 2018 – May 2018

McMath Interact Club

Vancouver, BC

- Chaired a fundraiser project to raise \$750 to promote food security for families in need all over the Lower Mainland via the Starfish Pack Foundation
- Led bi-weekly meetings for a team of 15, and delivered a project pitch to over 100 club members at general meeting
